WEEK AT A GLANCE YEAR 7

29th - 3rd October

HOY Notice

Dear Parents,

The Year 7 students have had a very positive week and are settling well into secondary school life. It has been wonderful to see their enthusiasm in lessons and their growing confidence in navigating their new routines.

As part of supporting both students and parents through this transition, I would like to highlight a few important points regarding Google Classroom and assessments:

- Google Classroom Access: All teachers have been checking that every student is correctly enrolled in their Google Classrooms. This ensures that no child misses out on important resources or homework. If your child is not on Google Classroom, please inform their subject teacher via email.
- Assessments on the Year 7 Weekly Overview: When assessments are scheduled, these will be made clear on the Year 7 Weekly Overview. They will be marked in bold and colour so that both students and parents can see them easily.
- Classroom Links on the Year 7 Weekly Overview: Each subject's Google Classroom link will also be included on the Year 7 Weekly Overview for your convenience.

To further support you, I have posted a document which includes the name, photo, and email address of each of your child's teachers. This will help you know who is teaching them and make it easier to get in touch if needed. Please send me a direct message on ClassDojo if you would like me to send this document to you again.

Thank you for your continued support in helping our Year 7s succeed.

Have a lovely weekend.

I wish you a blessed weekend with your family.

Ms Anke

WEEK AT A GLANCE YEAR 8

29th - 3rd October

HOY Notice

Dear Parents,

It has been another inspiring week for Year 8, and I continue to be impressed by the energy and commitment shown by our students. A particular highlight has been the overwhelming number of applications for student leadership roles. The quality of responses demonstrates real maturity and passion for making a difference.

We will be shortlisting candidates today, and those selected will be contacted to prepare their speeches, which will be delivered in form time next week. One representative will be chosen from each form group, an exciting opportunity for our young leaders to shine.

A gentle reminder that trip money should be brought in promptly and given to Mr. Dan, to secure places. Please ensure all payments are made on time so students do not miss out.

As Sheikh Zayed wisely said: "The real asset of any advanced nation is its people, especially the educated ones." Leadership is about service, growth, and contribution. I am delighted to see so many Year 8 students ready to step into this role.

Thank you, as always, for your support.

Warm regards,

Ms. Carole

As we move further into the term, I would like to remind families and students of the importance of staying fully engaged with Google Classroom.

WEEK AT A GLANCE YEAR 11

29th - 3rd October

HOY Notice

Dear Parents,

This week, our Year 11 students had the fantastic opportunity to attend the Dubai University Expo. It was an inspiring experience where students were able to explore a wide range of potential courses and pathways available to them post-16. Many came away with valuable information to help guide their decisions for the future, and I encourage you to continue these conversations at home to support their planning.

We are also pleased to share that leadership opportunities within school are now underway. Students have been able to apply for positions such as Form Representative and Wellbeing Representative. In the coming weeks, we will also be launching our House System, which will bring even more chances for students to showcase their leadership skills and take pride in contributing to the wider school community.

Additionally, intervention sessions began this week. It has been great to see strong attendance from students who are making the most of the additional support from their subject teachers. These sessions are a key opportunity for progress, and I encourage all students to continue engaging with them regularly.

Thank you for your continued support. Wishing you and your families a lovely weekend.

Warm regards,
