

AL RABEEH ACADEMY

NEWS FLASH

31st October 2025

Think Pink: Pink Day at Al Rabeeh Academy!

Pink Day at Al Rabeeh Academy was an incredible success! Our students came together with so much enthusiasm, and the support from our parents and wider school community was truly heartwarming. From generous donations to the wonderful stalls at our **Pink Souk**, it was inspiring to see everyone take initiative and contribute towards such a meaningful cause. A special thank you to **Dr. Khawla from Al Rabha Hospital** for leading an engaging and insightful session with our secondary girls, helping raise vital awareness around breast cancer. Thank you to all students, staff, and parents for your kindness, energy, and commitment to supporting this important initiative. Together, we made a difference.

Whole School Assembly

Friday's whole-school assembly was a wonderful celebration of leadership, achievement, and community spirit at ARA. We were delighted to announce our new **Primary Head Girl, Shamsa Alshamsi, and Head Boy, Hamdan Al Ali**, as well as our Deputy Head Girl and Deputy Head Boy, who will represent and support our students throughout the year. We also took this opportunity to honour our Secondary student leaders, recognising the important roles they play across the school. This year, ARA proudly introduced a new award for Secondary **Excellence and Character**, celebrating students who consistently demonstrate outstanding respect and responsibility. In addition, we congratulated our ARA Artist of the Week, **Mohamed Nemer (Year 7)**, for his creativity and dedication. It was a joyful moment to reflect on the many positive and inspiring things happening across our ARA community.

ARA NOTICES

TRIPS AT ARA

All trips going forward will now be registered and paid for using the OKKRA system. Students will only be allowed on trips if they have paid and registered via the OKKRA system. This will also serve as written consent to allow students to go on future trips.

How to register and pay on OKKRA:

- Click on the link and register with your email address.
- Create your profile, then add each child's details (full name, year group/class).
- Select the trip, review the information, and confirm the student attending.
- Proceed to payment and pay by debit/credit card or Apple Pay.
- Check your email for the payment confirmation/receipt. Keep this for your records.

If you have any issues (e.g., login, adding a child, or payment), please email Mr Dan Griffiths at dan.griffiths@alrabeehacademy.ae

THIS WEEK AT ARA

Across ARA, there is a wonderful sense of growth and momentum as students continue to engage deeply in their learning. Classrooms are filled with focus, curiosity, and collaboration as we begin preparing for upcoming assessments. It has been inspiring to see students gaining confidence, applying new skills, and demonstrating resilience in their work. We are incredibly proud of their progress and the supportive learning culture that shines throughout our school.

EYFS STUDENTS SHARE LOVE ACROSS ARA

This week, our EYFS students took part in a meaningful project, where learning the Arabic letter "Haa" was beautifully connected to the values of love and respect. To bring this lesson to life, the children prepared and distributed sweets to school staff, sharing kindness and appreciation throughout the day. It was a wonderful way to reinforce both language learning and character building, showing how small gestures can spread joy across our school community.

PINK DAY AT ARA

The first week back after half-term has been buzzing with excitement and positivity across Al Rabeeh Academy! Lessons are in full swing once again, and it's been fantastic to see students throwing themselves into learning with such enthusiasm. Classrooms are filled with smiles, energy, and curiosity as digital technology continues to grow across the school, making lessons even more interactive and engaging. It's wonderful to see students participating with confidence, collaborating with their peers, and truly enjoying being back together in the classroom.

EYFS PINK DAY

In EYFS, the littles have filled the week with joy, curiosity, and discovery. From hands-on play to creative exploration, every corner of the classrooms has been alive with laughter and learning. Their eagerness to try new things and share their ideas has built a warm, welcoming community where every child feels excited to grow

WEEK AT A GLANCE YEAR 7

3rd-7th November

HOY Notice

Dear Parents

A heartfelt thank you to all our parents and students for making **Pink Day** such a wonderful success! It was lovely to see the creativity and thought that went into the student stalls, as well as the enthusiasm shown across the school.

The event was not only fun but also deeply meaningful as we came together to raise awareness for **Breast Cancer Awareness Month** - a cause that touches so many in our community. Moments like these remind us of the strong sense of teamwork and compassion that define Al Rabeeh Academy.

As we move forward, we would like to remind you that end-of-term exams are approaching. Students should begin revising using the revision materials and guidance posted on **Google Classroom**. These resources have been carefully designed to help them prepare effectively and feel confident in their assessments.

If you have any questions or would like more details about specific subjects, please don't hesitate to contact the subject teacher directly.

WEEK AT A GLANCE YEAR 8

3rd-7th November

HOY Notice

Dear Parents,

It's been an exciting and action-packed start to the half term for Year 8! Last week's Bear Grylls residential trip was a huge success — our students showed fantastic teamwork, resilience, and spirit. A big well done to everyone who took part and represented our school so positively.

We're now looking ahead to our **upcoming trip to Al Forsan**, which promises to be another brilliant experience. For more details, please speak directly to **Mr. Dan**.

We're also excited to celebrate the **UAE Flag Day and National Day** — more details to follow soon.

A **gentle reminder** that **lessons now begin promptly at 7:40 a.m.**. Form time has moved, so if students arrive after 7:40, they miss valuable learning time.

As the saying goes, *"The future belongs to those who believe in the beauty of their dreams."* Year 8 continue to shine brightly.

Thank you, as always, for your support.

Warm regards,

Ms. Carole

WEEK AT A GLANCE YEAR 9

3rd-7th November

HOY Notice

Dear Parents,

It has been another fantastic week of hard work and focus as we prepare for the upcoming assessment period beginning the week commencing 10th November. Students have shown great commitment to their studies, and it's been encouraging to see so many making the most of revision opportunities and supporting one another in preparation.

We've also had some exciting developments in our student leadership programme, with more divisions announced this week.

Our student leaders continue to play a vital role in shaping school life, organising events, and ensuring that student voice remains at the heart of everything we do.

A special highlight was **Pink Day**, which brought our community together to raise both money and awareness for breast cancer. The enthusiasm, creativity, and generosity shown by students and staff alike made it a truly memorable event.

Looking ahead, we're excited to celebrate **UAE Flag Day on Monday 3rd November**, a wonderful opportunity to recognise the unity and pride of our nation. Thank you to everyone for your continued hard work and positivity — let's keep this momentum going into next week!

WEEK AT A GLANCE YEAR 10

3rd-7th November

HOY Notice

Dear Parents,

It was great to see so many of our students getting involved in Pink Day last Friday. The enthusiasm, creativity, and sense of community on display were fantastic - a real reflection of the positive spirit within Year 10.

As we move forward, the focus now turns to mock exam preparation. These assessments are an important opportunity for students to measure their progress and identify areas to improve ahead of next year's final exams.

All revision resources have been uploaded to Google Classroom, and teachers are spending time in lessons helping students prepare effectively.

We're encouraging students to make the most of this time - using the materials available, asking questions, and putting consistent effort into their revision both in and out of class.

Best regards,
Mr Joshua Verity

WEEK AT A GLANCE YEAR 11

3rd-7th November

HOY Notice

Dear Parents,

We have now completed the first week of Year 11 November resits, and I would like to commend the students for the effort and focus they have shown so far. It is important that this commitment continues both in school and at home as we move into the next two weeks. Please remind your child that all exams are morning starts, so arriving to school on time and prepared each day is essential.

A special well done also goes to the group of Year 11 girls who represented the school in a basketball match last week against another school. Their teamwork, enthusiasm, and sportsmanship were a real credit to Al Rabeeh Academy – well done, girls!

Let's keep this positive momentum going as we continue through the remaining resit exams. With consistent effort, good attendance, and continued support from home, I am confident that our students will achieve the success they deserve.

Warm regards,

Ms Emma Youds
