Year 7 Tea with Mr Riaan and Mr James

This week, Mr Riaan and Mr James joined our Year 7 students for a special tea session focused on **student voice and wellbeing**. The morning provided an open and supportive space for students to share their thoughts on school life, the support they feel they need, and how teachers and leaders can continue to help them thrive. It was inspiring to see such young students speak with confidence, honesty, and maturity. Which are truly representing the voices of their year group with pride and purpose.

Art in Focus- Mariam Almahrouqi's

A special recognition to Maryam for her exceptional **A-Level Photography project, "Tradition."** As part of our ongoing celebration of UAE National Identity, Maryam's work reflects true ARA pride – capturing the spirit of Emirati heritage through meaningful imagery. Her project beautifully symbolises her artwork. She is exploring the importance of preserving her Emirati heritage and traditions. In this piece she has used objects to symbolise the unity of family and staying connected with one another.

Message from Mr James our Vice Principal

As we approach the end of this first half term, I want to take a moment to say thank you to our wonderful school community. To our students, parents, and staff, your warm welcome has made my first half term at Al Rabeeh Academy such a positive and rewarding experience. I have thoroughly enjoyed getting to know everyone and building strong relationships across the Academy, and I feel so lucky to have been given the opportunity to work at such an incredible school

It has certainly been a busy and exciting few weeks! From our Meet the Teacher event to trips to university fairs and science expos, our learners have been engaged in a wide variety of opportunities beyond the classroom. Today we also enjoyed the FS sing-along, which was a wonderful celebration of our youngest learners' joy and enthusiasm. Looking ahead, we are thrilled about the upcoming Bear Grylls trip after half term, which promises to be another fantastic experience for our students.

As a reminder, the Academy will close for the half term break next Friday and reopen on Monday 20th October.

This year is already shaping up to be a very exciting one for Al Rabeeh Academy. Following our very good ADEK inspection last year, we are continuing to go from strength to strength. We are proud to now have 1174 children enrolled, the highest number in our history, and we are committed to continuing to grow as a community where positivity, ambition, and excellence thrive.

Finally, I am delighted that we have begun the student leadership selection process. Very soon we will announce our new teams and leaders who will take Al Rabeeh Academy to even greater heights, embodying our mission of creating future leaders.

Please, I encourage you to come in, have a coffee with me, and share your experiences of Al Rabeeh Academy, along with your ideas on how we can make it even better.

Thank you once again for your ongoing support and for making this such a special place to work and learn.

Warm regards,
James Hyland
Vice Principal

THIS WEEK AT ARA

This week at ARA has been nothing short of eventful, from exciting Science trips in FS to joyful Sing Alongs in EYFS and the launch of our Primary Student Council. The Academy has been buzzing with energy as students delivered inspiring speeches and campaigns to represent their classmates. Across the school, lessons have been filled with exciting, hands-on activities from creative writing and Science experiments to Art and Maths challenges, all showing how every student is helping to make the boat go faster through teamwork, enthusiasm, and a love for learning.

WEEK AT A GLANCE YEAR 7

6th -10th October 2025

HOY Notice

Dear Parents

It has been a busy but positive week at Al Rabeeh Academy. We started the week with the Principal inviting Year 7 students to his office for a meeting. During the meeting, he asked them to share feedback on different aspects of school life and to suggest how they would improve the school if they were Principal. I was very proud to hear their thoughtful and creative ideas.

On Tuesday, students presented their leadership speeches with confidence. It was inspiring to hear their visions for the upcoming year. On Wednesday, form classes had the opportunity to vote for their student leaders, and the new Student Council will be announced in the coming days.

Students have also begun their end-of-unit assessments in different subjects. Please don't hesitate to reach out to the subject teachers if you require any support.

Ms Anke

WEEK AT A GLANCE YEAR 8

6th -10th October 2025

HOY Notice

Dear Parents,

Another fantastic week has flown by, and I am continually amazed at how quickly time is moving—and how much quicker our students are progressing. Year 8 have shown incredible focus, determination, and enthusiasm, and it is a privilege to witness their growth both in and out of the classroom.

One particular highlight has been the **student leadership applications**. I was truly blown away by both the number and the quality of applications received.

It takes real courage and commitment to put yourself forward, and I want to congratulate every student who applied. Whether selected or not, the experience itself is an achievement to be proud of. A very special **congratulations to those who have been chosen**—our school and our future are in safe hands with such inspiring young leaders.

Finally, a gentle reminder that next Friday marks the last day of Half Term 1, with students returning to school on **Monday, 20th October**.

Thank you for your continued support—I look forward to an exciting second half of the term.

Thank you, as always, for your support.

Warm regards,

Ms. Carole

WEEK AT A GLANCE YEAR 9

6th - 10th October 2025

HOY Notice

Dear Parents,

It has been another positive week across the year group, and I am proud of the way students continue to show commitment to their learning and uphold our school values. Classrooms are calm and purposeful, and it is clear that the hard work from both staff and students is making a real difference.

As we move forward, it is important that we maintain the high standards we have set together. This includes attendance, punctuality, uniform, and active engagement in lessons.

Consistency in these areas helps to create the best possible learning environment for everyone.

I am also pleased to share that we are now rolling out iPad devices for use in lessons. These will provide excellent opportunities for interactive learning and support independent study. We look forward to seeing students make the most of this resource in their day-to-day learning.

I thank you for your continued support,

Mr Dion

WEEK AT A GLANCE YEAR 10

6th -10th October 2025

HOY Notice

Dear Parents,

It has been another busy and positive week for Year 10. Students have been casting their votes for the Student Council, an important opportunity for them to have their say and help shape school life. It's great to see so many taking this seriously and recognising the value of student voice.

Yesterday, a group of our students also took part in the **Abu Dhabi Mangrove Planting Project with ADNOC.**

This was a fantastic experience, giving them the chance to learn about sustainability while making a real contribution to the environment. They represented the school brilliantly, showing enthusiasm and respect throughout the trip.

Best regards,
Mr Joshua Verity

WEEK AT A GLANCE YEAR 11

6th - 10th October 2025

HOY Notice

Dear Parents,

This week has been an exciting one for Year 11. Students have taken part in their leadership speeches, presenting themselves for the chance to represent their class and year group. It was wonderful to see so many of our young people speaking with confidence, maturity, and passion. Every student who put themselves forward should feel incredibly proud, and we look forward to announcing the new leadership team soon.

Alongside this, we are very mindful that resits are fast approaching. This is a crucial time for Year 11, and your support at home makes a real difference. Please continue to encourage your child to attend interventions, as these sessions provide valuable guidance from subject teachers. Independent study at home is also key. A helpful motto for students is "little and often" – short, regular bursts of revision are far more effective than last-minute cramming.

Thank you, as always, for your continued support as we help Year 11 stay motivated and focused in the weeks ahead.

Thank you for your continued support. Wishing you and your families a lovely weekend.

Warm regards,

Ms Emma Youds
